Welcome to giulband.it. This website is purely personal, artistic, and informational in nature (showcase site) and does not pursue profit goals.

Below are the legal notes governing copyright, the use of hosted spaces, and the information notice on the processing of personal data, in compliance with the European Regulation (GDPR 2016/679).

1. Website Owner

The controller of website management and data processing is:

Owner: Giuliano Bandieri

Contact Email: giulband@giulband.it

2. Legal Notes

(Copyright, Press Review and Guest Terms)

Copyright and Images: All photographs and artworks on this website remain the exclusive property of their respective authors (Giuliano Bandieri for his own works and individual hosted artists for their respective galleries) and are protected by international copyright laws. Any reproduction, copying, or use of any image present on the site without the explicit written consent of the legitimate author is prohibited.

External Links: This site contains exclusively links to the personal websites of hosted artists. The Owner exercises no control over such external sites and assumes no responsibility for their content or privacy policies.

Note on Third-Party Material (Press Review): Any posters, trademarks, logos, or newspaper clippings present on the site belong to their respective legitimate owners and the publishers of the cited outlets. Such materials are published solely for informational, reporting, or documentation purposes regarding the author's activity and press review, in full compliance with the right to quote.

Exclusive Responsibility for Guest Content: This site may host free spaces and galleries dedicated to third-party artists and collaborators. Total responsibility for the texts, information, and images provided for these spaces rests exclusively with the guest. The guest implicitly declares to possess all authorizations, releases, and intellectual property rights necessary for publication. The Website Owner is fully relieved and excluded from any claims, damages, or third-party privacy violations (e.g., publication of faces or works without consent).

Right of Removal and Moderation: The inclusion of guest galleries is provided as a free courtesy. The Owner reserves the indisputable right to accept, reject, modify, or delete any entry, image, content, or third-party link at any time for technical or editorial needs, without prior notice and without having to provide any justification.

Tampering and External Technical Damage: The Owner applies standard web security measures, but shall in no way be held responsible for unlawful actions or tampering by third parties, cyberattacks, hacking, data loss, or damage of any kind caused to computer infrastructures, images, or linked external sites.

Prohibition of Use for Artificial Intelligence (TDM): Any use of the content, text, and images on this site for data extraction (text and data mining), training, or feeding artificial intelligence systems, large language models (LLMs), or machine learning algorithms is expressly prohibited, pursuant to Art. 70-ter of Italian Law 633/1941 (Art. 4 EU Directive 2019/790).

3. Types of Data Processed and Purposes

The site minimizes the exchange of information and does not collect, request, or store personal data from visitors. There are no contact forms, registration forms, or user registration systems. Data is limited to:

Data of Hosted Artists: We process exclusively the name (or stage name), brief biographical notes, agreed photographic

works, and any hypertext links to their site if agreed upon. Publication occurs subject to express consent and a release provided directly by the artist. Data and galleries will remain published until a potential removal request is made by the data subject.

Direct Contact via Email or Social Media: If you decide to write directly to the Owner via the channels indicated spontaneously on the pages, the sent data (such as name and email) will be used for the sole purpose of responding to you.

Direct Contact via Email (No Database on Site): If you decide to write directly to the Owner via the indicated email address, the sent data (name and email address) will remain confined within private correspondence for the sole purpose of responding to you. This data is not stored in the website database, will never be published, nor transferred to third parties, minimizing cyber vulnerability risks.

Navigation Data: Systems record certain automatic technical data (e.g., anonymized IP address) necessary for site stability and security.

4. Cookie Policy and External Links

This site does NOT use profiling cookies (first or third-party) for user tracking, nor invasive statistical analytics scripts.

Technical Cookies: Strictly essential technical cookies are used exclusively to ensure proper navigation and correct display of photo galleries. Under current regulations, the use of technical cookies alone does not require prior consent via a banner.

Local Fonts: Graphic fonts used are hosted directly on our server to avoid exchanging navigation data with external servers.

External Links: Links to hosted artists' personal websites are simple hyperlinks and do not install any cookies on your device until you choose to click on them to visit, exiting this site.

5. Rights of Data Subjects

At any time, users and hosted artists can exercise their rights under the GDPR (Articles 15 and following) to request modification of their name, updating, or complete removal of their gallery and related link from the site by sending a simple request to the Owner's email address.

6. Changes and Updates

The Owner reserves the right to make changes or updates to this Notice and Legal Notes at any time, to adapt them to legislative or technical novelties. Visitors are therefore invited to consult this page periodically to check for updates.
